Dear Mayor and City of Metropolis Customers:

Please find enclosed a letter from the Illinois Environmental Protection Agency. This is a copy of the new items banned from landfills, which means Bulldog will no longer be able to accept them as of January 1, 2012. We are currently in the process of trying to find a recycle center that may take these items. Bulldog will continue to keep our customers up to date on any new issues that may arise. Please feel free to contact our office if you have any further questions.

Sincerely,

Dan Hanson
